Elections

of the Student Council of the University of Bremen

from 10th to 14th June 2024

Who is elected?

During the lecture period, between Monday (10.06.2024) and Friday (14.06.2024)

the 25 members of the Student Council

of the University of Bremen will be elected by the students. The election will take place in presence.

All students who are enrolled at the University of Bremen at the time of the election and have paid the student body fee have the right to vote and stand for election. The right to vote and stand for election also applies to foreign students who have been admitted to a place at the University of Bremen.

Eligibility to vote and voting

All students of the University of Bremen with a valid student ID for the summer semester 2024 have the right to vote. Voting takes place in presence.

Applications for postal voting

Applications for postal voting can be made in writing up to one day before the start of the election (09.06.2024), 5.00 p.m., without presenting the student ID and will be sent afterwards. Alternatively, the election documents can be collected from the Election Commission until 12.06.2024 upon presentation of the student ID.

The ballot papers of all voters, together with the declaration of independence in an election envelope, must be received by the Election Commission by 3:00 p.m. on the last day of voting, Friday, 14.06.2024.

The declaration of independence is a piece of paper on which you declare your identity and sign to guarantee that you are really the student you are submitting the ballot paper as. The declaration must be signed and returned with the ballot paper, otherwise the ballot paper is invalid.

Only your name on the electoral roll entitles you to vote. Important: If you vote by postal ballot, you have to fill out the documents completely!
