Elections

to the Student Council of the University of Bremen

from 19 - 23 June 2023

Who is elected?

During the lecture period, between Monday (19.6.2023) and Friday (23.6.2023)

the 25 members of the Student Council

of the University of Bremen will be elected by the students. The election will take place on-site on campus.

All students who are enrolled at the University of Bremen at the time of the election and have paid the student body fee are entitled to vote and stand for election. The active and passive right to vote is also available to foreign students who have a promise of a place at the University of Bremen.

Eligibility to vote and voting

All students of the University of Bremen with a valid student ID for the summer semester 2023 are entitled to vote. Voting takes place in presence.

Applications for postal voting

Applications for postal voting can be made in writing up to one day before the start of voting (18.6.2023), 5.00 p.m., without presenting the student ID and will be sent to you afterwards. Alternatively, the election documents can be collected from the Election Commission until 22.6.2023 upon presentation of the student ID.

The ballot papers of all voters, together with the declaration of independence in an election envelope, must be received by the Election Commission by 3:00 p.m. on the last day of voting, Friday, 23.6.2023.

The declaration of independence is a piece of paper on which you declare your identity and sign to guarantee that you really are the student you are submitting the ballot paper as. The declaration must be signed and returned with the ballot paper, otherwise the ballot paper is invalid.

Only your name on the electoral roll entitles you to vote. Important: If you vote by postal ballot, you have to fill out the documents completely!

Every eligible voter can inspect the electoral roll at the electoral commission. The inspection at the electoral commission is only possible with a previously arranged appointment by e-mail.

Any person entitled to vote may lodge a written objection against the electoral roll. **Objections are admissible until 30.5.2023 at 1 pm.** The objection must be made in writing and must be substantiated.
